If you reasonably believe you have an emergency medical condition, call 911 or go to the nearest Emergency Department. An emergency medical condition is a medical or psychiatric condition that requires immediate medical attention to prevent serious jeopardy to your health. For the complete definition of an emergency medical condition, please refer to your *Evidence of Coverage*.

\*This is a contracted Plan facility. The Emergency Department at this facility is not appropriate for urgent care. An urgent care need is one that requires prompt medical attention but is not an emergency medical condition. Use of the Emergency Department for urgent care may not be paid for by Kaiser Permanente.
