Conference Report

Please complete the following information or use it as a guide in writing your own presentation. You are also welcome to create this report as a slide deck with links to more information. This will be distributed to our members through the School Site Representatives after our next Rep Council meeting.

Member name:

Date:

Name of conference/workshop:

Date(s) attended:

Location:

Briefly describe the significant topics presented and information learned at this event

How can this information be implemented in our local association, and to what extent do you think our members would benefit?

Would you recommend other members attend the same conference in the future? Why or why not?

Do you have suggestions for making the experience better?

Please attach any documents, packets, pamphlets, flyers that you think would be helpful for us to have.
