

## Notice of Intent to Use Funds for Political Activity

Palm Springs Teachers Association is in the process of changing its dues structure. The structural change would initiate the Palm Springs Teachers Association Fund for Quality Education. PSTA PAC bylaws narrowly define the Funds purpose so that monies can only be used in local school board and local ballot measure campaigns.

The PAC is funded through a voluntary transfer of a maximum of two dollars (\$2.00) per month from member dues to a special PAC account administered by a committee which reports to the Executive Board and the Representative Council. **The change will not result in a dues increase.**

Any members not wishing to allow this transfer may do so by completing the form at the bottom of this notice and sending it to Mark Acker—PSTA through intra-district mail. Please call (760)416-9293 or email ([pstaprez@gmail.com](mailto:pstaprez@gmail.com)) the PSTA office if:

- You send in the opt-out form and do not receive an acknowledgement of receipt within 10 days.
- You wish to obtain a copy of the PAC Bylaws.
- You would like more information.

### Order to opt-out of the Palm Springs Teachers Association Fund for Quality Education

I do not give permission for funds from my dues to be used to help influence local School Board elections or School Bond measures. Please do not transfer \$2.00 per month from the General Fund to the PSTA PAC.
